

DEFINING PASTE

Medium hold with low shine

For added texture or increased definition. Beeswax provides a natural, pliable hold for various lengths. Wax-like consistency provides a matte finish while still remaining easy to distribute through hair. Defining Paste is similar to Fiber in texture and effects but is easier to use and distribute through hair. It can also be used in hair that's beyond 2" in length.

Application: Emulsify between palms and work a small amount evenly through damp or dry hair and style as desired.

Features	Benefits
Lanolin	A rich emollient with moisturizing properties
Beeswax	Provides a pliable hold
Glycerin	Gives hair a thicker and fuller appearance

Ingredients: Water (Aqua) (Eau), Lanolin Wax (Lanolin Cera) (Cire de lanoline), Cetearyl Alcohol (*Coconut), Glycerin, Alcohol Denat. (*Grain), Tribehenin, Beeswax (Cera Alba) (Cire d'abeille), Tridecyl Stearate, Cetareth-25 (*Coconut), Tridecyl Trimellitate, VP/VA Copolymer, Dipentaerythryl Hexacaprylate/Hexacaprate, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Bentonite, Benzophenone-3, Camellia Sinensis Leaf Extract, Salvia Hispanica Seed Extract, Urtica Dioica (Nettle) Extract, Symphytum Officinale, Chondrus Crispus (Carrageenan) Extract, Sambucus Nigra Flower Extract, Echinacea Angustifolia Extract, Triethanolamine, Tetrasodium EDTA, Fragrance (Parfum), Benzyl Benzoate, Benzyl Salicylate, Citral, Eugenol, Butylphenyl Methylpropional, Limonene, Linalool, Hydroxyisohexyl 3-Cyclohexene Carboxaldehyde, Methylparaben, Ethylparaben, Propylparaben, Butylparaben, Isobutylparaben, Phenoxyethanol, Mica (CI 77019), Titanium Dioxide (CI 77891), Iron Oxides (CI 77491) *Source
