FIBER®

High hold with low shine

Fiber-like, resinous product helps thicken, texturize and increase fullness to hair. Provides a strong, pliable hold with a matte finish. Works well in shorter hair, 1-3 inches in length.

Application: For best results, rub a small amount evenly between palms before working into hair. Distribute evenly through damp or dry hair and style as desired.

Features	Benefits
Lanolin	Humectant and emollient responsible for unsurpassed hold
Cetyl Palmitate	An emollient that provides a smooth after feel
Ceteareth-20	A fine conditioner and an excellent emulsifier
Beeswax	Protects against moisture loss while providing total control

Ingredients: Water (Aqua) (Eau), Lanolin Wax (Lanolin Cera) (Cire de lanoline), Cetearyl Alcohol (*Coconut), PVP, Alcohol Denat (*Grain), Tribehenin, Propylene Glycol, Tridecyl Stearate, Tridecyl Trimellitate, PEG-8 Beeswax, Ceteareth-25 (*Coconut), Dipentaerythrityl Hexacaprylate/Hexacaprate, PEG-40 Castor Oil (*Castor Beans), Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Triethanolamine, Tetrasodium EDTA, Fragrance (Parfum), Benzyl Alcohol, Citronellol, Geraniol, Limonene, Linalool, Methylparaben, Ethylparaben, Propylparaben, Butylparaben, Isobutylparaben, Phenoxyethanol, Caramel, Yellow 5 (CI 19140). *Source.
