

# GROOMING CREAM

High hold with high shine

Use to create a straight, sleek look or to soften naturally curly or wavy hair with conditioning elements such as aloe vera. Repels moisture to keep styles intact and provides excellent hold and shine.

**Application:** Apply a small amount evenly to palms and work into damp or dry hair.

Features	Benefits
Aloe Vera Gel	Provides emolliency and moisturizing properties
Lanolin	Responsible for tremendous hold and shine
Coconut Oil	Provides conditioning properties and sheen
Beeswax	Provides a barrier against moisture loss and has antioxidant properties
